Lathe - Free Pdf Manuals Download | ManualsLib

About a week ago at a local college sealed bid sale I saw 2 DoAll lathes. Both were 13" and one had a longer bed than the other but still only 36" or less. Tooling for each was a chuck and faceplate. The machines were very unimpressive, filthy dirty, peeling paint but the ways looked to be in good condition. I met the guy Friday that won them at \$675.00 each and he said he doubled his money on ...
