Light, Gesture, & Color. I like this book. I like the way Jay Maisel thinks, probably because I think many of the same things. I do the same thing as he writes about: All year long I walk around shooting as minimally as I can. One camera, a zoom lens, and that's it. One night a year [Halloween] I add an on-line flash.

[Light, Gesture, and Color – SOMETHING WILL TURN UP](#)

It can enhance or destroy color. The effect of light on gesture is different. Gesture holds its own no matter what the light is. The light can enhance it, but it cannot destroy it. Why? Gesture has identity and it is less vulnerable than color, which can lose its identity to light. Gesture will survive whatever kind of light you have.
